RECENT HIGHLIGHTS:

Keeping the issues of Calgary-Lougheed at the forefront of the Alberta agenda—partly through speaking personally with our constituents (and bringing their ideas to the Legislature) on: Health Care, Schools in our new communities, the Southwest Ring Road, Fish Creek Park, PDD, Scholarships, Corporate Competition, Trades Issues, Environmental Efforts, and all sorts of other concerns (!)

Meeting with Local Officials re: attending to community needs; and meeting with Medical Interns re: working in Alberta hospitals ASAP (!)

Touring Alpha House (a Calgary Detox facility), and making recommendations to meet future needs

Duties as Chair of AADAC—prevention, information, and prevention of the abuses of alcohol, other drugs, tobacco, and gambling—including our new budget

Bringing Greetings from the Government at a number of local events (*see the pictures above & below for just two examples!*)

Attending Numerous Committee Meetings: Standing Policy, Public Accounts, Private Bills, Legislative Grounds Re-evaluation

Taking part in the 100th Anniversary of the Legislature Activities, and sitting in the Speaker’s Chair (in his absence, in March)

Sharing a Members Statements on the Recipients of the 2nd Annual “Mountain of Heroes” Awards Gala, and another on the great advancements in the new AADAC budget

Speeches in the Legislature on: the Drug-Endangered Children Act, the Parental Consent to Medical Treatment for Minors Act, the Environmental Protection & Enhancement (Methamphetamine) Act, the Railway Alberta Heritage Railway Act

GOOD NEWS:

You can take advantage of a new free evening program to tour the Legislature! Groups of 10 or more will receive a guided tour, observation of an evening session, light refreshments and snacks. The program runs Mondays to Wednesday throughout the year when the house is sitting. Please let us know if you are interested, and we’ll be happy to set it up and host you and your fine crew!

The “Travel Alberta Guides” (Vacation, Campground, Fishing, and Accommodation) are now available. For your copy, contact us today!

The Small Equipment Grants Program helps first-time Alberta researchers to set up labs by investing in key equipment that is essential to their research activities. This round of grants will aid research in areas as diverse as fuel cell technology, environmental health, and computer imaging technology for surgical treatment of lung cancer.

The Renewed AISH Act will help government better respond to client needs. For more information, please give us a call.

For Additional Information on all sorts of topics, please visit www.assembly.ab.ca, call 310-0000, and take a tour of the brand new www.daverodney.ca
