Open Invitation:

*** We’re back in the Legislature, so please contact me regarding any subject of provincial jurisdiction that you are interested in** <including our next budget!>; feel free to let me know if you have any questions, or if you simply wish to express your opinion--*I appreciate your feedback, & it’s my job to represent YOUR views!*

Recent Developments/Highlights:

> **Oil Royalty Report:** By the time you read this, I expect that Premier Stelmach will have made every effort to balance the best possible future for all Albertans--with what is completely fair for industry. (I have received many hundreds of e-mails, faxes, calls, & visits on this issue; if you care to share your experience/expertise in this regard, please do!)

> **Meeting with hundreds of constituents & numerous groups**--as well as with my 10 committees--& advocating for your needs (as Chair of Calgary Caucus!).

> **South West Ring Road:** I spoke personally with the Premier about this extremely important issue again last week; and I am pleased to share with you that he is completely committed to getting this done—much sooner than later. The province is nearly completed with all required assessments, and first nations officials are very close to an agreement with the municipal & federal governments; but I will not stop working on this—until we are driving on the road!
